

PRAYER

1. GOD

Read Exodus 34:6-7

Pray about who God is, reminding yourself of how big God is compared to anything else going on.

2. ME

Read Philippians 4

Pray to God about your needs. You might need to give him your worries or concerns, your successes, your failures. Whatever it is, God wants to hear it from you.

3. MY FAMILY

Read Exodus 20:12

Pray to God about your family, especially your parents. Does your family have needs to you can ask God for?

4. MY SCHOOL

Read Matthew 6:10

Pray to God about your school, for Him to bring Heaven into that space.

5. MY FRIENDS

Read Galatians 6:2

Pray to God about your friends, especially those who don't know Jesus. Ask God for courage to share Jesus with them, or invite them along to Citywest Youth one night.

Write down your friends name here to be reminded of who you are praying for.
